

Beto Fix casting mortar for wet installation

6870

Design

- Bucket with 12 bags with 2 kg (No. 6870000000)
- Individual bag with 2 kg (No. 6870100000)

Characteristics

- High quality concrete cement
- Good flow properties
- Load-bearing after ca. 1 hour
- More watertight than concrete
- Frost resistant
- Mixing ratio: 300 ml of water for every 2 kg of cement
- Radon-proof

Caution

- Store in a dry clean place.

	Bag	weight (kg)
6870000000	12	25.000
6870100000	1	2.000
